ABOUT ME

Practicing Muslim who believes there is more to life than what we see and believe. I'm passionate, optimistic & dedicated to my work. Ready to take responsibilities with utmost enthusiasm to deliver the best of mine when working. I have a great amount of perseverance to achieve my goal. I'm always driven towards success. I love everything that has to do with Project Management, IT infrastructure, Networking, Research, Writing and Internet Marketing. I feel a true devotion for Startups. I work closely with other colleagues involved in projects.
